HOLLY

A Bold Step.

To evercome the well-grounded and easonable objections of the more intelreasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold cparture from the usual course pursued departure from the usual course pursued by the makers of pulsup medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely colebrated hedicines. Thus he has taken his numerous ratrons and patients into his full onlinence. Thus too he has removed his medicines from among secret neatring of doubtful merits, and made them diamedies of Known Composition. By this bold stop Dr. Pierce has shown that his formulas are of such excellence that he is not affined to subject them to the bullest acrulary.

does the wrapper of every bottle ce's Golden Medical Discovery, the science for weak stomach, pid wherever located, have printed upon it, in plant English a full and complete list of all the ingredients composing it, but a small book has been complied from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines, one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book is will be learned that Dr. Pierce's medicines for the proposition of the same. From this little book is will be learned that Dr. Pierce's medicines begin in a religious processing the same.

THE WHITLA ABDUCTION CASE.

Developments in the Whitla abduction case followed each other fast in Pittsburg yesterday. It is apparent that not nearly all the real facts have been given the public, and that an effort to conceal much is also in evidence. Attorney T. C. Cochran, of Sparon, personal counsel of Mr. Whitis, admitted before leaving Pittaburg with Boyle for Morcer yesterday afternoon that the woman was very well known to certain people in Sharon, but gave no explanation of her reported statement when arrested at Cleveland that, "There'il be bell in Sharon tonight."

Cochran also said that he has evider ce which will absolutely connect Mrs. Boyle with the Pennsylvania end of the kidnapping, and expressed the determi-nation to bring her to trial in that state on a charge of abduction, the penalty for which is life imprisonment.

Boyle left Cleveland beavily manacled, in charge of Sher.ft Chess, of Mercer, and half a dozen detectives. There was a crowd around the jail door, and many epithets were hurled at the prisoner. There was no attempt at violence

Mrs. Boyle raised a great row in the Pitisburg jail yesterday morning at breakfast time. When the attendant came to the wicket of her cell with the customary tin cup of black coffee and three slices of dry bread Mrs. Byle came with a smile: "Where's the rest of it?' she asked.
"This is the usual jail breakfast,"

was the reply.

"Well, never mind me, dear, I'll just send out and get my breakfast sent to from a botel, if you will only call a

messenger for me, like a good girl."

"I'll do no such thing. You'll rat
his or nothing," said the attendant,
slapping the breaklast down on the little
shelf and passing along the corridor.
Mrs. Boyle protested loudly and tearfully against being compelled to eat such junk, but finally fell to and cleaned up the entire breakfast offered. She was later warned by the jail anthorities that a repetition of such a scene would not be

The identity of the woman is still a nys erv. Some detectives believe she is a Miss Thu stip, of Cleveland. A disps ch from Chicago says:

Whitis, in Sharoo, Pa, has been identi-SUGAR CURED HAMS died as Anna McDermott, the 23-year-old daughter of William McDermott, 30 years a member of the Unicago fire department. Her brother, William McDermott, formerly employed as teller in the Illinois Trust and Savings Bask, is expected to leave for the east. The brother will go to his sister's aid despite an assertion by the father that she is no longer his child, and that he wouldn't spend a nickel to tave her. The young voman who be filed the police of the entire country and an army of America's greatest detectives to such an extent that even after her arrest they voted her "the woman of mystery," is now disclosed as a girl who left home less than three

years ago, because she could not have her own way." An offer for Willie Whitle to go on the vaudeville stage at \$1,000 a week has been received by his fa her, who merely remarked: "They will have to go higher than that "

No spec'al grand jury has been summoned, but the kidrapping case will go before the regular grand jury the third Mouday in April. It is expected the trial will be begun the first Monday in May.

DOCIOR KILLED.

At midnight Thursday night Dr. Hugh E. Terry was stabbed and shot to death by his brother, Roy, F. Terry, in the family home at Dalla; Texas. Forty-three stab wounds and four pistol bulls t wounds were inflicted on the body, and death was almost instantaneous. Soon after the killing Roy F. Terry surrend-errd at the Dallas county jail, and was locked up. Three of his brothers went to the jail yesterday morning and joined him as prisoners. They are being held as accomplices. The family a a ementa are to the effect that Dr. Terry came home about midnight, laboring under ex-treme excitement either from I quor or treme excitement either from I quor or IIII LUIIUI NIGHT the lives of members of the family. A desperate encounter took place between Roy and Dr. Terry. When it was over the doctor was dead, and Roy and the other members of the family declare the killing was to selt defense.

For Diseases of the Skin,

Nearly all diseases of the skin such as eczema, tetter, salt rhoum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturts sleep and ret. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost insauly. Many cases have been cured by its use. For rate by W. F. Creigh, ton & Co., and Richard Gibson.
